

Terms & Conditions - " Cashback Offer - GIGABYTE & AMD "

Updated on 17 December 2024

This promotion - " Cashback Offer - GIGABYTE & AMD " will be executed by GIGABYTE TECHNOLOGY CO., LTD. and eligible Partners. The customers accept the following terms and conditions ("T&C") by their participation (article 9: "Approval").

1. Legal conditions

This information about the cashback offer and participation, combined with GIGABYTE's terms of use notice and GIGABYTE's privacy policy, form the basis of these terms and conditions. By participating in the promotion, the customer agrees to these terms and conditions. GIGABYTE is entitled to change these terms and conditions with appropriate communication and announcement. Participants are obliged to accept these changes.

The promotion was initially limited to the first 800 participants, but although the maximum number of participants was exceeded on 09 December 2024, the promotion is now open without limitation of participation until 24 December 2024.

2. Purchase period

The purchase period begins on 11.01.2024 at 00:01 Central European Time ("CET") and ends on 11.30.2024 at 23:59 CET ("Purchase period"). The promotional product(s) (see promotional products) need(s) to be bought from one eligible partner (see etailer list below) within the "Purchase period".

3. Redeem period and the right to participate (setting period)

After the promotion period, offer for a customer to submit a redeem application is valid from 11.15.2024 up to and including 12.24.2024, for the purchase of a product **from Zone A or Zone B or one of the eligible bundles: ZoneA+B or Zone A+C or Zone B+C or Zone A+B+C.**

A period of 14 days must elapse between purchase and participation. (This is why registration is valid from 11.15.2024 for a purchase on 11.01.2024 minimum).

The offer is limited to one entry per person (same name, same address and / or e-mail address). The offer is reserved for live and adult persons living in France (including the Corsican), the United Kingdom, Spain, Germany, Poland, Czech Republic, Romania, Netherlands, Belgium, Denmark, Sweeden, Finland, Norway, Portugal. The participation requires a user registration to the official AORUS member account. You can find the registration form here:

GIGABYTE employees, employees from GIGABYTE affiliates and/or partners or cooperating companies and agencies, dealers, distributors and their employees/relatives are not eligible to participate in the promotion. Moreover, corporate/commercial customers are not allowed to claim in this promotion.

4. Subject and rules of participation

The participant needs to buy a valid bundled “promotional product” within the “purchase period” in the “promotion area” from one of the eligible partners in the participants country of residence, the redeem application can be submitted only 14 days after the purchase and needs to claim between 00:01 (“CET) on 11.15.2024 until 23:59 (“CET) on 12.24.2024 via the GIGABYTE online form, set here: www.aorus-eu-q4-promotion.com

The form needs to be filled complete and properly, stating personal information, a single valid invoice of the merchant (from which the promotional product(s) was/were bought) and serial number of the GIGABYTE product.

Furthermore, the participant needs to upload a valid invoice. Personal invoice information (name, address) has to correspond to the redemption information submitted. If several products have been purchased, they must appear on a single proof of purchase. (simultaneous purchase mandatory).

After examination and approval of the application, GIGABYTE will communicate the cashback to participants in using the email address provided during registration. This process can take up to 6 weeks maximum. In case of failure to send the email, GIGABYTE is not obliged to make another attempt.

Invoices must be corresponding to local legal requirements. The Promotion cannot be combined with a different GIGABYTE promotion.

5. Promotional products

It is necessary to buy a participating product or product bundle stated on the “promotional products” list. Lent, leased, sample or used products are excluded from the promotion. A delivery note, receipt or an order confirmation of a sales platform (note this when buying on the internet) are not a sufficient proof of purchase.

Products that violate the intellectual property of GIGABYTE or its affiliates in any way, are excluded from the promotion.

Every participant is only allowed to claim one eligible product bundle per promotion. Any double claim attempts found might cause all related promotion claims to be disqualified.

If the participant returns his promotional product, the promotion claim will be cancelled. Already paid-out claims have to be refunded to GIGABYTE, next to this, GIGABYTE will take legal steps against fraudulent or abusive attempts.

The promotion cannot be combined with a different GIGABYTE promotion.

The participant must purchase from an eligible e-tailer in his residential country.

6. Redemption

The redeem application can be submitted only 14 days after the purchase.

The participant receives a confirmation email after the submission of his claim. By successfully passing the validation process the participant will receive to the email address provided during redemption, their cashback. **The validation process can take up to 6 weeks maximum.**

In case of missing or non-valid proof of purchase, the customer will be notified via email to the email address provided during the online registration process; consequently, **the customer will have seven (7) days to send valid proof of purchase.** Should the promoter not receive the above-mentioned

documentation within 7 days, the application will be rejected. It is the customer's responsibility to check, periodically, all inboxes, including the SPAM folder, to ensure the correct receipt of all communications.

If the participant has not received his cashbacks within 90 days after registration, it is the responsibility of the participant to contact the support team via Contact Form www.aorus-eu-q4-promotion.com to initiate an investigation.

The customer has the opportunity to check his claim status on his user profile on www.aorus-eu-q4-promotion.com

7. Early termination

GIGABYTE reserve the right to discontinue or terminate the Promotion at any time, after proper communication and announcement with 10 days advance notice if there happen to be malfunctions, disruptions, frauds, viruses or similar incidents and if administration, security, fairness, integrity or the procedure of the Promotion are affected. There are no options or demands following the early termination.

8. Data privacy
